Arquitectura del Exito (Spanish Edition) Dr. Camilo Cruz

Basado en una historia real, Arquitectura del Éxito nos plantea que para desarrollar este plan se requiere enfrentar el más importante de todos los retos: aceptar 100% de la responsabilidad de nuestro éxito. Sin embargo, debemos entender que el ser humano es multidimensional; vivir plena y felizmente requiere de una estrategia que responda a nuestras metas familiares, profesionales, espirituales, financieras, intelectuales, recreativas y de salud. Para lograrlo, el libro contiene una serie de evaluaciones y guías prácticas que te ayudan a personalizar tu plan y te permite escribir las metas más importantes que hayas identificado en cada área. "Toda persona es tan feliz como se propone serlo. Nadie fracasa porque planee su fracaso, sino porque no planea su éxito, y al no planear su éxito, de por sí ya está planeando su fracaso". -Camilo Cruz
