## **Na Kim - Set** Na Kim

This book features a collection of Na Kims work from 2006 to 2015 published on the occasion of her fourth solo exhibition, SET (named after this publication) at DOOSAN Gallery New York, from October 8 to November 5, 2015. For this book, fragments of her works are set in more or less personal categories, taking on a form reminiscent of a sample book. In contrast with other catalogues that are linked to an exhibition, published before the shows opening, this book sketches the pre-exhibition content and establishes the guidelines for the imaginary stage set in the exhibition space.
