Savage (The Healer Series) (Volume 3) B N Toler

Savage is book #3 in the Healer series. Before reading Savage it is strongly recommended that you read Healer and Hybrid first. A savage is barbaric. It attacks without restraint or pity. It is fierce, merciless, and brutal. Aldo has let that part of herself take over, drive her actions. I thought saving her from Bridge was my biggest problem. I was wrong. Something happened while she was missing. And it has altered her in a way that she is almost unrecognizable. But she won't tell me anything. Instead, I'm forced to watch the young and naïve woman I've fallen in love with transition into everything I knew she could be; strong, fearless, and unstoppable. The problem is, she's cut off her humanity, and coupled with those things, she's a loose cannon. She's a savage. My name is Daniel O'Sullivan and I'm in love with a broken woman. I will bring her back and remind her of who she really is no matter what it takes. Even if it kills me.
