Sexuality and Authority in the Catholic Church

Monica Migliorino Miller

Sexuality and Authority in the Catholic Church Monica Migliorino Miller

Monica Migliorino Miller articulates a theology that breaks open the essence of ecclesial authority.

Authority, if it is authority at all, derives from and exists for authentic Christian worship, namely, the Holy Eucharist.

If authority is derived from Eucharistic worship, then authority is fundamentally the authority of a covenant. This book shows that this covenant is spoken according to a primordial sexual language rooted in creation itself.
