Magic isn't lost...

A cataclysm has ruined much of the realm of Valana. Only a few fortified cities high in the mountains have survived. The lands below lay covered by a permanent barrier of mist and only huge, monstrous beasts ever rise up above the cloud bank.

In Avondale, the Earl's son harbors a secret. Magic is blamed for the cataclysm and outlawed in the high mountain cities, but Tiberius longs to become a wizard. When he finally begins to practice magic, he knows his time in the wondrous city of Avondale is short, but where can he go? What lies beneath the mists that surround his mountaintop home? And if he ventures out of the city, how will he survive in a land that no one has ever returned from?

Avondale is the first book in new epic fantasy series that explores a fantastic world full of wonder and more than a little danger. It's a fast paced adventure, with strong characters and magical places that you won't want to put down. Written by Toby Neighbors, author of the best selling series *The Five Kingdoms*, Avondale is a fresh, new, high action fantasy novel that will sweep you away into a world of magic and wizards, swords and sorcery.
