Jerry of the Islands Jack London

JERRY is an Irish terrier, a dog of many adventures. Born on one of the Solomon Islands, he early comes to know as master the man called Skipper. Skipper to Jerry is a god. To others he is captain of a boat engaged in the trade of labor which is supplied for the South Sea plantations. The calling is a dangerous one, and when Skipper meets his fate, Jerry falls into the hands of a head-hunting chief and a cannibal village becomes his home. Chance saves him from the cooking-pot and he escapes into the wilds. But unlike another dog hero, Jerry does not revert to the primitive. The yacht Ariel comes to his rescue, and in Harley and Villa Kennan, Jerry finds two gods worthy of a dog's worship.

An excerpt of a review from *The Boston Transcript*:

"His knowledge of and sympathy with his subject is unbounded, and his imagination plays with all its customary vigor and variety over a multitude of scenes in which men as well as the dog hero have an important part.... It is good too, in this novel, to find Jack London a story-teller and not a propagandist."
