#### **Jacob Hill:**

As a student exactly feel bored to help reading. If their teacher requested them to go to the library or make summary for some book, they are complained. Just very little students that has reading's soul or real their passion. They just do what the teacher want, like asked to the library. They go to there but nothing reading critically. Any students feel that looking at is not important, boring and also can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Migration: The Biology of Life on the Move by Dingle, Hugh (2014) Paperback can make you feel more interested to read.
