Professional Football Player, Devon Harding found his soul mate at the age of seventeen. Trouble is, he can't remember her last name. For the last fourteen years, he's been waiting for The Universe to send her back to him. When that day comes, he nearly falls all over himself to get to her. But he plays it cool and waits for her to come to him.

And she walks right past him.

Pediatric Oncologist, Laney Nixon has only been in love once—at the age of sixteen. For the last fourteen years, she's looked for him, but not knowing his last name has made finding him impossible. But when she comes face-to-face with him, she doesn't recognize him.

Can Devon get her to remember the past so they can have a future?

Because all is fair in love and football...and the past is just the beginning.
