If You Come To California Nichole Naumann

Josie Foley, home-schooled loser, finds solace in one thing in her miserable life: music. When U.S.A Talent auditions hit the East Coast her geeky, only-friend urges her to leave their small hometown and attend the forbidden event. Josie is suddenly hurled into L.A.'s underbelly, an unfamiliar world of drugs, parties and crime introduced to her by the bewitching and mysterious Vanessa. Along the way, she encounters an assortment of strange, dangerous new friends that accompany her on a once-in-a-lifetime journey. There's Dante, the unhinged drag queen; Christian, a hot Sunset Strip rocker; Mickey Solomon, Hollywood's favorite drug kingpin; and SNL, the spoiled little rich girl in pink. But as Josie and Vanessa grow closer, terrible secrets start to surface—secrets that even the malleable Josie cannot ignore, threatening the friendship she always dreamed of. As the show comes to an intense climax, she begins to question what reflections are real—even her own—and discovers that nothing here is what it seems. It takes a sour dose of reality for Josie to realize she never needed acceptance to be a star...but is it too late? A shocking plunge into a raw and realistic Los Angeles, IF YOU COME TO CALIFORNIA is a fictional black market tourist's guide for anybody who has ever had a Hollywood dream. An entertaining but painfully truthful coming-of-age set in a time when "soda pop is out and Four Lokos is in," Josie guides us through a year in the turbulent life of a teenage Millennial.

From reader reviews:

Joseph Jenkins:

Book is usually written, printed, or outlined for everything. You can know everything you want by a book. Book has a different type. As you may know that book is important factor to bring us around the world. Close to that you can your reading skill was fluently. A reserve If You Come To California will make you to become smarter. You can feel much more confidence if you can know about every little thing. But some of you think that will open or reading a book make you bored. It is far from make you fun. Why they are often thought like that? Have you trying to find best book or suitable book with you?

Linda Monge:

Here thing why this particular If You Come To California are different and reliable to be yours. First of all looking at a book is good however it depends in the content of the usb ports which is the content is as delightful as food or not. If You Come To California giving you information deeper and different ways, you can find any reserve out there but there is no e-book that similar with If You Come To California. It gives you thrill looking at journey, its open up your own eyes about the thing in which happened in the world which is possibly can be happened around you. It is easy to bring everywhere like in playground, café, or even in your technique home by train. If you are having difficulties in bringing the paper book maybe the form of If You Come To California in e-book can be your alternate.

Griselda Gonzalez:

Nowadays reading books become more and more than want or need but also work as a life style. This reading practice give you lot of advantages. The huge benefits you got of course the knowledge even the information inside the book that will improve your knowledge and information. The information you get based on what kind of publication you read, if you want send more knowledge just go with training books but if you want feel happy read one together with theme for entertaining including comic or novel. The If You Come To California is kind of reserve which is giving the reader erratic experience.

Dean Herbert:

Is it an individual who having spare time and then spend it whole day by means of watching television programs or just lying on the bed? Do you need something totally new? This If You Come To California can be the solution, oh how comes? A book you know. You are so out of date, spending your spare time by reading in this brand-new era is common not a geek activity. So what these textbooks have than the others?
