Where He Ends & I Begin: Home Collection, Book 3 Cardeno C.

Aggressive, physical, and brave, Jake Owens is a small town football hero turned big city cop who passes his time with meaningless encounters believing he can't have who he really wants: Nate Richardson, his best friend since before forever. Thoughtful, quiet, and kind, Nate is a brilliant doctor who has always known who he is and has never been able to shake his crush on loyal, courageous, straight Jake.

After a passionate night together, Nate realizes Jake isn't as straight as he assumed, but he worries that what they shared was a fluke, a result of too much closeness for too long. For Jake, the question isn't how they ended up in bed together because he has always known that Nate holds his heart; it's how he'll convince Nate that he wants and needs to stay there.
