Who is God and Where Does He Come From Joel Kerr

God has created the heavens and the earth; he has outlined the path required for human happiness. The Alpha and the Omega is everywhere and immutable. He has provided us with all the answers, but do we ask the right questions? For more than twenty years, author Joel Kerr has been striving to find the answers set before him. Despite his best intentions, fear, insecurity, and doubt overwhelmed him, preventing him from accepting the message he desperately craved. After a debilitating back injury, he finally got the message. *Who Is God and Where Does He Come From?* provides a fresh perspective on the relationships between God, Jesus, Satan, and humanity. Kerr examines critical questions about where God comes from, his intentions for mankind, and how each human being can purge Satan's treachery from our minds and souls.
