## **Zlateh the Goat and Other Stories** Isaac Bashevis Singer

Nobel laureate Isaac Bashevis Singer introduces readers to the village of Chelm in this Newbery Honor Book. Chelm is a village of fools. The most famous fools—the oldest and the greatest—are the seven Elders. But there are lesser fools too: a silly irresponsible bridegroom; four sisters who mix up their feed in bed one night; a young man who imagines himself dead. Here are seven magical folktales spun by a master storyteller, that speak of fools, devils, schlemiels, and even heroes—like Zlateh the goat.

The *New York Times* called *Zlateh the Goat and Other Stories*, "beautiful stories for children, written by a master." *The New York Book Review* said, "This book is a triumph. If you have no older children on your list, buy it for yourself." Singer's extraordinary book of folklore is illustrated by Maurice Sendak, who won a Caldecott Medal for *Where the Wild Things Are*.

Supports the Common Core State Standards
