Discover Biology (Sixth Core Edition) Anu Singh-Cundy, Gary Shin

Developing scientific literacy through active learning?before, during, and after class.

Discover Biology is praised by adopters for its clear, accessible explanations that develop students' understanding of core concepts. The Sixth Edition maintains this strength but is more focused, 10% shorter, and offers a consistent chapter structure that gives students the conceptual foundation they need to fully understand and appreciate why biology matters in their own lives. This edition offers an accessible, flexible, and complete suite of teaching resources to support students and instructors at every stage of the learning process.
