Hard Target: Elite Ops - Book One Kay Thomas

The first installment in the Elite Ops series, featuring sexy ex-military men ... and the women who rescue their hearts.

Former DEA agent Leland Hollis wasn't planning on being a hero. Recovering from an injury sustained during a drug bust gone wrong and with more personal demons than he cares to admit, he wants nothing more than peace and a chance to rebuild his life. But when Anna Mercado's crazy ex shows up wielding a baseball bat, Leland can't ignore his instinct to help. And after her son is kidnapped, Leland agrees to deliver the ransom into dangerous territory south of the border.

Anna has no choice but to go with this stranger she's just met if she ever wants to see her son again. But getting the boy out of a violent cartel region involves risking everything. And for that Leland will have to convince Anna to do the scariest thing of all ... open her heart and trust him.

Books in series:
