Shan Presents this African American Urban Fiction drama written by bestselling author Treasure Bee

I hope you remember Kharee and Siyah from In Love With a Dope Boy 4. Since their cousin Tyler retired and gave them the family business, they have blown up over night. But as they say with more money comes more problems.

Kharee has been married to Precious for 3 years. Like most guys, Kharee loves Precious, but he just can't seem to be faithful.

Brielle is the definition of a hood rat. She lives with her mother and sister and is proud to be Kharee's side chick. Little does she know she's not the only woman in her house who has their eyes on Kharee.

Brave's past has been a rocky one and secrets she buried long ago are coming to the surface and threatening to ruin it all for her and her man Siyah.

Siyah's finally in love again after having his heart broken by his high school sweetheart Diani. Everything seems all good for him and Brave until Diani comes back in the picture ready to shake things up and get her man back.

Secrets will be revealed, hearts will be broken, and bullets will fly. Who will be standing strong when the smoke clears?
