Everything You Need to Survive the Apocalypse Lucas Klauss

A male perspective on sorting love from loss, faith from fear—brimming with humor and romance.

Phillip's sophomore year is off to a rough start. One of his best friends ditches him. His track coach singles him out for personalized, torturous training sessions. And his dad decides to clean out all of the emergency supplies from the basement, even though the world could end in disaster at any moment...and even though those supplies are all Phillip has left of his dead mom. Not that he wants to talk about that.

But then Phillip meets Rebekah. Not only is she unconventionally hot and smart, but she might like him back. As Phillip gets closer to Rebekah, he tries harder and harder to turn himself into the kind of person he thinks she wants him to be. But the question is, can he become that person? And does he really want to?
