I Really Do: How To Recognize When You Are Marriage Ready (Marriage Designed By Grace) (Volume 1) Robin Holloway

Women are gatherers and men are hunters. Women like to talk, while men seldom listen. Women love to hang on every word and consider each syllable, including closely observe the body language of their husbands often being too quick to pass judgment, chiding “You never listen to me”. No matter how you like it, we are just different, we are not wired the same and it was designed this way by God for a reason. This book was written about love and how love can be found even in the most unrecognized circumstances. This work book is about God’s sovereign hand in each of our individual circumstances coupled with His grace.
