Layla Creed and Deputy US Marshal Brian Simmons have a history that is as hot and heartbreaking as it is unforgettable. Now their paths have crossed once again. This time things are twice as hot. Layla--a protected witness--has to come out of hiding and testify in a sensational murder trial. But as far as Brian's concerned, there's an even more pressing problem.

Once Layla testifies she'll get sucked back into the Witness Protection Program. A new identity, a new location, a new occupation--and a new inspector to check up on her. In other words, out of his life forever. There is one more option--take Layla and go on the run. Rekindling what they once had should be easy. But a stranger in their shadow has plans of his own, forcing Brian and Layla to risk everything in the name of love.
