*A Standalone Short Story with No Cliffhanger!*

Gorgeous and curvy, Abbryana Ferris has been mistaken for a nurse more than once in her medical career. At twenty-seven, the dark-skinned beauty is often thought far too young to be a 'real doctor'. Abby struggles to relay to Trevor that this head injury is career ending, and that he can't just be careful next time. One more hit to the head will probably kill him.

The bad news doesn't stop thirty-year-old Trevor Miles from hitting on her. Even with his latest Hockey injury, he knows a catch when he sees one, and he's not willing to let this one get away so easily.

But Abby has another admirer, and Dr. Bailor isn't willing to share. When Dr. Bailor finally pushes Abby too far, forcing her to report him and costing him his job, things only get worse.

A budding romance and a crazy doctor are almost too much for her, but will Trevor walk away from Hockey? Or will he risk his life for the game he loves and leave her behind?
