Teach yourself and your children delightful fingerplays in English and Spanish, and learn American Sign Language (ASL) signs with this cleverly designed book! Exquisite artwork by Patricia Krebs, internationally renowned artist from Argentina, accompanies each poem, allowing the reader to make connections between the image and the languages on the page. ASL is especially useful in early childhood, particularly for developmental needs including speech delays, Autism, Down Syndrome and respiratory and hearing impairments. Language acquisition occurs most easily in early childhood, and Spanish is the second most common language in the U.S. Poems and songs are grouped by fun themes like Farm Animals, Beach, Snow, and Shapes, and each section includes an activity for self expression. With more than 150 high-resolution color photographs to clearly depict ASL signs, tips for learning ASL, and a key to Spanish pronunciation, this book is a great addition to any home, school or library! This book comes from the award-winning program Classic Tales 'n Tunes LLC, and is included in the list of "Outstanding Books For Young People With Disabilities" of the IBBY (International Board on Books for Young People).
