If you are a single woman and you are desirous of meeting your divinely-ordained life partner this year for marriage, your purpose is in order and it is in line with the will of God for your life. However, purpose alone is not sufficient to bring your desire to fruition. Even for women, there are tangible and intangible requirements which need to be fulfilled before entering into marriage. In addition and in parallel with your marriage desire, you need to make sure that you do not succumb to the tripartite forces of Self, Sin and Satan which, whether you like it or not, will try to work against you every single day.

To make your desires real this year you need to master the art of taking charge of your day so that the outcome of each day will always be in your favor. In this regard, “Command the Morning: Daily Prayer Manual for Single Women” is a unique book available to help single women everyday throughout the year.
