Do It Yourself Tarot: The Fun, Easy Way to Learn How to Read the Tarot for Yourself and Others
Aliyah Marr

Do It Yourself Tarot is for the modern reader who wants access to the keywords, symbols, archetypes without extensive discussions of the images, historical references, and card titles.

Introducing a new technique that makes it easy to read the cards using your own intuition, Do It Yourself Tarot gives you clues to the information buried in the cards, and then lets you draw your own conclusions.

The tarot is a creative project that we build over time. Like master craftsmen, we all want to make the tarot our own as we craft new meanings, join together universal archetypes, polish new symbols, and hammer out the details of our visions.

Designed to be easy to carry with you and use in daily life, Do It Yourself Tarot is for the tarot student who wants to “learn as they read” and explore the cards on their own. It is an in-the-moment-anywhere guide for learning to read the tarot.

READER'S GUIDE

If you are trying to decide on buying a book on the Tarot, especially your first book, the options can be confusing. I have provided this reader's guide to help you. I have written three books on the Tarot for three different audiences. Each book fulfills a distinct purpose.

DO IT YOURSELF TAROT

As the “Cliff Notes” of the previous book, The Tarot Key, this book is for the tarot student who wants to “learn as they read” and explore the Tarot on their own. Do It Yourself Tarot contains some of the exact

same information that is in The Tarot Key. It is intended to help spark the reader's own intuition by presenting clues as to what the cards might mean. A guide book designed to be easy to carry with you and use in daily life, Do It Yourself Tarot introduces the same new blended technique — the SEER System™ for reading the cards that is covered in The Tarot Key in a more streamlined form.

THE TAROT KEY

The Tarot Key is for the serious tarot scholar/student who desires to do an in-depth study of the cards. It presents two decks, the standard Rider Waite Smith Tarot and the author's own Tarot of Creativity, which is used to provide additional insight on the meanings of each card. The ebook has full-color images, if your e-reading device permits. It also provides handy links within the document. The images are in black and white in the print version.

THE TAROT OF CREATIVITY LITTLE WHITE BOOK The companion guide for The Tarot of Creativity, a unique deck I created that follows the creative process through the tarot. Available for free as an ebook when you purchase a deck from the website below. The Tarot of Creativity Little White Book is available from Amazon as a print book and on Kindle.

You can obtain these books and The Tarot of Creativity from the author's website:
www.parallelmindzz.com.

* The Tarot of Creativity deck of 78 cards is sold separately.
