- An all-new adventure revisiting Edward Scissorhands' two decades after the end of the fan-favorite movie! In a castle just outside a sleepy suburban town, a brilliant inventor created Edward Scissorhands...but left him tragically unfinished. Two generations of exile have left Edward digging through abandoned experiments, but once he wakes up a creature left buried, he discovers he isn't the only one missing a vital piece. As Edward tries to fix a grave mistake, he comes face-to-face with a teenage girl who was sure he was only myth... despite the stories her grandmother told her about the man she could never touch.
