From where I am (Part 1 The Story of Me) Daniel g walter

Words from the view of a warrior poet laid on pages in hopes that they may impact someone in a meaningful and positive way. Life changes us all, and I have had many events change me. It is how we come out after those events. This process is ongoing throughout our entire life for some of us. While others feel that the battles they fight are over in seconds. The key here being, we all have battles to fight. Please allow these words to help in some way, and take a look into my past, present, and future, God Bless. Check out more of my writing at dgwalter2006.wordpress.com Thank you for reading more to come.
