Female professional football quarterback Mj Rooney has her eye on the prize, a record-breaking, championship season. Sure, it would be nice to have family support, but she believes in herself, and she has her teammates. That's all she needs to win. . .until a scuffle at a baseball game sends her over the railing and onto the field with a concussion that threatens her season.

Dr. Tag Howard isn't a baseball player like his brothers, but that doesn't mean he can't contribute to the game. He's poised to become Major League Baseball's go-to sports medicine doctor if he can rehabilitate Gold Glove Centerfielder Grey Kemmons, who happens to be his estranged brother. It's a lot to take. . .until an unorthodox angel crashes into his life with a concussion and a fresh perspective.

Mj doesn't need a man. She needs a championship ring. Getting messed up with a sexy, doctor and his family baggage isn't going to get her there. But the attraction is undeniable, and there's surprising freedom from expectations in each other's arms. . .until Tag's brothers want a reunion that requires him to own up to his ugly past, and Mj's season teeters amidst the distractions. Would life apart be easier?
