Downton Abbey on the Titanic – an extraordinary saga set on board the most famous ship of all time.

The Titanic was the most magnificent ship ever built, offering every possible luxury to her passengers – yet on the night on the 14th of April, 1912, she sank in the North Atlantic, leaving the lucky ones floating in wooden rowing boats, and the rest struggling for their lives in the icy water.

This novel follows the fortunes of Reg, a handsome young steward who works in the first-class dining room; Annie, a gifted Irishwoman who is travelling to America with her four children; Juliette, a titled English lady who is pregnant and unmarried; an American millionaire and his wife who are trapped in a poisoned marriage; and a mystery passenger who never shows her face in public.

The sinking of the Titanic not only steals lives but blows apart the futures of those who survive. Coming to terms with the shocking events, survivors form new attachments, make decisions with tragic consequences, and watch all their old certainties crumble. How can life ever be the same again when you have heard 1,500 people dying in the water around you?
