This CD contains four distinct software items(developed by Jack E. Terry, ComSource Associates, Inc. and Leland Mansuetti& Keith Weidkamp, Sierra College): General Ledger Applications Software(GLAS), Spreadsheet Applications Template Software (SPATS), Peachtree Templates to be used with specified problems in the text, and Tutorial Software. GLAS, SPATS, and Peachtree help solve selected text assignments and give students exposure to various software programs. The Tutorial Software gives students a chance to review the material in each chapter of the text using journal entries, glossary review, true/false questions, multiple choice questions and fill-in questions.
