Both men and women love to hear what their partner wants to do for them, or what will be done to them before it's done. Hearing the words moaned, screamed, whispered, or growled heightens the sensations and can take the love making to a whole new level.

However, dirty talking is not as "easy" as people make it seem. It's not just a matter of using every swear word the sailors taught you. There is an art and even a science to shocking the senses. Effectively dirty talking is a careful balancing act of expressing desire, of smart communication between two different lovers, and letting yourself feel the emotion of the moment.

In this guide, you will learn exactly how to talk dirty and how to do it right. You will discover what dirty talking is, the science of it, as well as the art of putting your own creative spin on the age-old hobby of talking your lover off. It takes you, step by step, from getting in the mood, during foreplay, during love making, to afterglow. You will know what to say and how to say it in every situation. And more importantly, you will be comfortable and sound confident when you talk dirty.
