Lost and Gone Away Lynn Jenner

Between 2010 and 2014 Lynn Jenner made several related emotional and intellectual investigations. *Lost and Gone Away* is the record of these: a fascinating, ambitious hybrid text of nonfiction, prose poems and poetry. The book traverses the aftermath of the Christchurch earthquake; samples and sifts through the lost and recovered detritus of the ancient world; radiates its attention out from that epicentre of loss, the Point Last Seen, from which all searches begin; and quietly, devastatingly, explores how one might think and write about the Holocaust, from far away. An excavation of loss, in four parts, *Lost and Gone Away* also plumbs the ability of literature to contain, refresh and explore. The cumulative result is a fresh, sobering and searching intellectual journey – a tremendously powerful work of creative nonfiction.
