Of Human Bondage (Annotated) W. Somerset Maugham
- Whith Biography of W. Somerset Maugham.

Of Human Bondage is a novel by W. Somerset Maugham. It is generally agreed to be his masterpiece and to be strongly autobiographical in nature, although Maugham stated, "This is a novel, not an autobiography, though much in it is autobiographical, more is pure invention." Maugham, who had originally planned to call his novel Beauty from Ashes, finally settled on a title taken from a section of Spinoza's Ethics. The Modern Library ranked Of Human Bondage No. 66 on its list of the 100 best English-language novels of the 20th century.

This semi-autobiographical novel explores obsession. After failing as an artist in France, sensitive Philip Carey returns to England to go to medical school. It is there that he falls in love with a cheap and worthless waitress, Mildred. After she finally leaves him, he finds a comfortable love with a novelist. When Mildred returns, will he take her back? What sort of misery and pain await him if he does? Why do humans allow themselves to be bound to another in this way?
