He was barefoot until the age of 16. In this exciting and fast-moving narrative, K. P. Yohannan shares how God brought him from his remote jungle village to become the founder of Gospel for Asia, which now supports 7,000\* native missionaries in ten Asian countries. He challenges Western Christians from his unique Third World perspective--to examine and change their life-styles in view of the millions who have never heard the gospel. This book could change your thinking and your life. (\*as of 1992)
