Steve is an average student that struggles with everyday problems: homework, bullying, accidental explosions and a teacher who seems to have a suspiciously high resemblance to a witch. This year he meets Alex, a smart redhead girl who's been pestered by the same bully, and they become fast friends. On their way to find out more about the mysterious teacher and his bargains with the bully they are hiding from, they may find more than they bargained for. Join them on their adventure featuring disappearing legends, nether witches and mysterious secrets, in a story full of twists and turns enveloped with a layer of comedy and a touch of magic.
