When God's people pray, they want answers. Yet many Christians don't know how to pray both effectively - in a way that gets results - and humbly - in a way that aligns with God's will. Prayer is a powerful weapon against the true adversaries of God's people: principalities, powers, dark rulers and spiritual wickedness in high places. These forces are the perpetrators of all kinds of evil: Addiction, abuse, poverty and spiritual bondage run rampant through families, churches, cities and nations. What can believers do to battle these forces? They can pray. Not just any prayer: the prayer of petition, known throughout Christian history as the prayer that gets results. Prayer of Petition explores this powerful prayer in detail, from the many examples found in God's Word to more recent instances of incredible miracles ushered in by this prayer. Readers will learn the biblical definitions of petition and supplication, and examine the key components of preparation, thanksgiving and humility. As readers learn to petition the Ruler of All, their confidence that God will prevail - no matter what - will grow, and as they learn to rest in His promises, peace will reign over their hearts through the coming revival.
