The Book of Daniel: Prophecy for Today from Daniel Russell Stendal

The Book of Daniel is a study, a commentary, of the book of Daniel in the Bible. Each verse and each sentence is dissected to unveil great prophecies which are coming to fruition today. It cannot be over-emphasized how relevant this book is to our current generation. The book of Daniel covers everything from the sorry state of today's denominations, to corrupt governments who will not be changed before the end of the world as we know it. The author defines words and phrases typically ignored and expounds on the prophetic times and seasons well documented by Daniel. Many devastating things which will come to pass are clearly defined in this book. However, Daniel doesn't stop here. We, the children of God, are shown the beautiful way of a true Christian's life, as modeled by Daniel himself. We truly are blessed and must give all glory to God for His generous gift of salvation, through His Son, Jesus Christ.

About the Author

Russell Stendal, a former hostage of Colombian rebels, is a lifelong missionary to that same group in the jungles of Colombia. He is an influential friend to military and government leaders in Colombia, Cuba, Mexico, Venezuela, and the United States. Russell's ministry shares the gospel via twelve radio stations, hundreds of thousands of Bibles, books, and movies distributed through airplane parachute drops, and numerous speaking engagements for groups of leaders, prisoners, and individuals. Russell goes wherever the Lord leads, whether it's to speak with a president or to go deep into the jungle to help an individual in trouble. He has witnessed thousands commit their lives to Christ.
