The reader will find answers to these and hundreds of other questions in "The Hand Owner's Manual." Dr. Meals shares his 30-year experience of preventing and treating hand conditions that commonly include pinched nerves, broken bones, and arthritic joints. Practical information abounds for athletes and musicians as well as for all who use computer mice, kitchen knives, and steering wheels. "The Hand Owner's Manual" also heightens the reader's appreciation for the hand's vast influence on the entire human story.
