## **Anthony Trollope - Barchester Towers (Illustrated)** Anthony Trollope

Barchester Towers is the second book in the Barchester Chronicles series. A new bishop is appointed, Dr Proudie, with a wife who dominates him, and a scheming chaplain (Mr Slope) who rapidly earns the dislike of all of the existing clergy in the town. Mrs Proudie and Mr Slope battle for control of the Bishop's actions, largely over the appointment of the warden for Hiram's Hospital. Mr Harding, the former warden, waits to find out if he will get his old position back. His daughter Eleanor is now a wealthy widow, and her family become convinced that the detestable Mr Slope is courting her and that she is responding to his charms. Trollope often warns his readers what to expect, so nothing that happens in the novel comes as a great surprise, but somehow, reading it is still a joy. I couldn't put this book down because the characters are so involving, and Trollope's easy to read style and his humorous observations make the book a pleasure to read. If you like a book where the unexpected often happens, this probably isn't for you. If you're a fan of Jane Austen though (another author famous for her subtle observations about her characters), then you will probably find this a worthwhile read.
