Rebekkah's Journey: A World War II Refugee Story (Tales of Young Americans) Ann E. Burg

In 1944 a vacant army base in upstate New York became the temporary home of over 900 men, women and children who had fled Europe towards the end of World War II. With little more than the clothing on their backs, Rebekkah and her mother are just two of the many refugees who come to live in the camp. Adjusting to a strange new world and a new language, Rebekkah puts aside her own fears to try and recreate tiny bits of home for her mother. A fictional story based on the real-life experiences of surviving refugees, Rebekkah's Journey shares the illuminating story of one refugee's arrival on America's shores.
