What was once a time to celebrate the birth of a savior has somehow turned into a season of stress, traffic jams, and shopping lists. And when it's all over, many of us are left with presents to return, looming debt that will take months to pay off, and this empty feeling of missed purpose. Is this really why we celebrate Christmas? What if Christmas became a world-changing event once again? [AC] Advent Conspiracy is an international movement restoring the scandal of Christmas by substituting compassion for consumption. For three years, Advent Conspiracy has been giving people hope that Christmas doesn't have to be about credit cards, to-do lists and traffic jams. Time is one of the more precious gifts we can give at Christmas, time to make love visible through relational giving. This Christmas, give presence to those you love. Love All. When Jesus loved, he loved in ways never imagined. By spending less at Christmas we have the opportunity to join him in giving resources to those who need them most.
