An Introduction to Community Health

James F. McKenzie, Robert R. Pinger

An Introduction to Community Health James F. McKenzie, Robert R. Pinger

This comprehensive, yet easy-to-read introductory community health text speaks to the current health issues facing people today. Organized into four units and 18 chapters, *An Introduction to Community Health* examines the breadth of community health information, from the foundations of community health to the health of the nation, from health care delivery to environmental health and safety. All-inclusive pedagogy aims to outline chapter material, provide learning objectives, promote critical thinking, and apply theory to practice. *An Introduction to Community Health Promotion* will encourage your students to think critically and will help them apply what they learn in class to their future professional careers. The Web-enhanced edition includes exercises based on Community Health sites on the World Wide Web.
