Bluegrass State of Mind Kathleen Brooks

She thought she would be safe far away in Kentucky...

McKenna Mason's perfect life in New York City has just been destroyed. She is now a witness to a horrific crime involving some of America's most influential men. She knows she must get away and can think of only one outsider that might help her--Will Ashton. The flame of their brief romance during their teenage years never completely died out, and now it is about to explode.

Troubled pasts, a feisty horse that refuses to race without a good luck kiss, and three old ladies hell-bent on playing match-makers turn this newly rekindled romance into a wild race to the finish. Can Will and McKenna cross the finish line together, and more importantly, alive?

This is the first book in Kathleen Brooks's breakout Bluegrass and Bluegrass Brothers Series.
