G-D, Rationality and Mysticism (Marquette Studies in Philosophy)

Irving Block

G-D, Rationality and Mysticism (Marquette Studies in Philosophy) Irving Block

This book is aimed at addressing two common misconceptions. The first is that belief in G-d is purely a matter of faith and cannot be supported by rational arguments. The second is that rationality is incompatible with mysticism.

The section on relationship to mysticism draws on the literature of Chabad Hasidic philosophy and the teachings of the Lubavitcher Rebbe. Special attention is devoted to near-death experiences.
