Cate Delacey is glad she's a witch—both kinds. She could have done without the guardian bit that put a bull's eye on her back. Being a guardian comes with so many risks and rules that immortality ought to be a fringe benefit. Whenever the New Orleans Supernaturals' Crime Unit calls for her help she'd like to tell them to go to Hell—but they're already in that particularly unpleasant part of the netherworld.

Even a guardian has to pay her bills, and Cate has no intention of following in her mother's footsteps as an enforcer for the Council of Supernatural Beings. Opening the Darkmirror Agency was a great idea. Her clients are mostly human, and they pay for everything from bounty hunting to process serving. But one day it all goes to Hell, figuratively. Then literally.

Because that's the day the Council's detective Jacqueline Sloan slinks her way into Cate's life. Jacq. So alluring. So powerful. So immortal. And up to her sexy neck in a secret that will unleash Hell's Belle.

Marie Castle's unpredictable Darkmirror world is unveiled in this romantic, sizzling debut.
