What is love?

That would have been a hard question if I have not met that girl. I only know one meaning of love, I have my own version...you won't find it in any dictionaries.

“Love is when you run away from someone and she keeps on chasing you. Love is when you push her away and still she clings onto you. Love is when you say hurtful words but she still listens. Love is when you taunt and grimace her and she still smiles back so sweetly. Love is when you're doing everything to hurt her and all she does is accept the pain and hugs you. Love is when she wants to cry but chooses to make you smile. To sum it all up, love is simply a term for Cheska's existence”
