Maggie's Secret Wish (1Night Stand Book 14) Starla Kaye

Maggie's boring workaholic life and focus on her obnoxious ex is grinding her down. A friend's advice sends her to Madame Evangeline's high-end dating service 1 Night Stand. She hopes to find some fun, a date, and va-va-voom sex...not necessarily in that order. At least she will get out of her apartment for one hot night! Because, yes, she is just that desperate for a change, and there is that secret fantasy she's been wanting to try out....

As Ian turns forty, his day job as writer of steamy erotica and night job as part-time Dom has him worried he will never have a "normal" relationship. With his particular kinky quirks, what woman would consider him husband material? Madame Eve is pretty good at her own job, are these two a match in a million or just a one night flash in the pan?
