Malthus: A Very Short Introduction (Very Short Introductions) Donald Winch

With world population today edging over seven billion, and with projections for it to reach nine billion by mid-century, the ideas of eighteenth-century English cleric Thomas Malthus--and his grim prediction that war, plague, and famine are the inevitable response to overpopulation--loom ever larger on the horizon. But if Malthus is a familiar name to most educated people, few of us have read his famous and controversial work, *Essay on the Principle of Population*, and indeed few have but a sketchy notion of his ideas. In this Very Short Introduction, Donald Winch explains and clarifies Malthus's thought, assessing the profound influence he has had on modern economics. Concentrating on his writings, Winch sheds light on the context in which he wrote and why his work has remained controversial. Looking at Malthus's early life as well as the evolution of his theories from population to political economy, Winch considers why and how Malthus's writings have been so influential in the thought of later figures such as Charles Darwin and John Maynard Keynes.

About the Series:

Oxford's Very Short Introductions series offers concise and original introductions to a wide range of subjects--from Islam to Sociology, Politics to Classics, Literary Theory to History, and Archaeology to the Bible. Not simply a textbook of definitions, each volume in this series provides trenchant and provocative--yet always balanced and complete--discussions of the central issues in a given discipline or field. Every Very Short Introduction gives a readable evolution of the subject in question, demonstrating how the subject has developed and how it has influenced society. Eventually, the series will encompass every major academic discipline, offering all students an accessible and abundant reference library. Whatever the area of study that one deems important or appealing, whatever the topic that fascinates the general reader, the Very Short Introductions series has a handy and affordable guide that will likely prove indispensable.

Mildred Wright:

Your reading sixth sense will not betray a person, why because this Malthus: A Very Short Introduction (Very Short Introductions) e-book written by well-known writer we are excited for well how to make book which can be understand by anyone who else read the book. Written throughout good manner for you, leaking every ideas and composing skill only for eliminate your personal hunger then you still skepticism Malthus: A Very Short Introduction (Very Short Introductions) as good book not only by the cover but also through the content. This is one reserve that can break don't assess book by its handle, so do you still needing an additional sixth sense to pick this kind of!? Oh come on your reading through sixth sense already alerted you so why you have to listening to an additional sixth sense.

Robert Thomas:

Is it you who having spare time and then spend it whole day by means of watching television programs or just lying on the bed? Do you need something new? This Malthus: A Very Short Introduction (Very Short Introductions) can be the response, oh how comes? The new book you know. You are consequently out of date, spending your free time by reading in this brand-new era is common not a geek activity. So what these ebooks have than the others?

Milton Hill:

As a pupil exactly feel bored to be able to reading. If their teacher questioned them to go to the library or even make summary for some book, they are complained. Just little students that has reading's internal or real their pastime. They just do what the educator want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that examining is not important, boring and also can't see colorful photos on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Malthus: A Very Short Introduction (Very Short Introductions) can make you sense more interested to read.
