Much Ado About Nothing

William Shakespeare

Much Ado About Nothing William Shakespeare

Set in a courtly world of masked revels and dances, this play turns on the archetypal story of a lady falsely accused of unfaithfulness, spurned by her bridegroom, and finally vindicated and reunited with him.

Villainy, schemes, and deceit threatens to darken the brilliant humor and sparkling wordplay--but the hilarious counterplot of a warring couple, Beatrice and Benedick, steals the scene as the two are finally tricked into admitting their love for each other in Shakespeare's superb comedy of manners.
