Sage: A Lark's Story Zoe Griffin

'Follow me as you enter my world, the world of a bird, the world of a Horned Lark.' Sage is a pretty little Horned Lark. She has a beautiful array of feathers and sings like only a songbird can. In *Sage: A Lark's Story*, you will learn all about this magnificent bird, her life, her mate, and her family. Author Zoe Griffin, a nine-year-old girl who frequently spots birds like Sage in her backyard in rural Wyoming, shares these facts and more in her entertaining book about one pretty little bird. Told from the perspective of Sage, the Horned Lark, the book offers a delightful bird's eye view of the Horned Lark, including her appearance, family, habits, survival, and more. The book also features fun, educational experiments to do at home that will teach you even more about what makes a Horned Lark such a special bird. First, you'll learn how to find out its weight, and then you'll discover how to make a model Horned Lark egg. Readers eight-years-old and up who are interested in birds or any form of wildlife will discover a great deal about this extraordinary bird, from her blend of plumage colors to her beloved babies. Not only does this easy-to-read book provide vivid descriptions of one species, it serves as a useful introduction to the fascinating world of birds. With Sage's inviting, informative approach, *Sage: A Lark's Story* is sure to make any animal lover even more curious about the world of a bird, and launch a lifelong passion for learning all about them.
