Island of Misfit Toys Andre Swartley

Cliff's life has been a series of losses. By the time he is eighteen, he has lost his ability to speak, his home, and both of his parents. The only constants in his life are his hair stylist, his bizzare and awful cousin, and his tyrannous aunt. Flowing seamlessly between gut-wrenching and hilarious, The Island of Misfit Toys is an unapologetically human story of three individuals seeking the same redemption.
