Ragged Dick

Jr., Horatio Alger

Ragged Dick Jr., Horatio Alger

If you've ever used the phrase "rags to riches," you owe that to Horatio Alger, Jr. (1832-1899), who popularized the idea through his fictional writings that also served as a theme for the way America viewed itself as a country. **Alger's works about poor boys rising to better living conditions through hard work, determination, courage, honesty, and morals was popular with both adults and younger readers.**

Alger's writings happened to correspond with America's Gilded Age, a time of increasing prosperity in a nation rebuilding from the Civil War. **His lifelong theme of rags to riches continued to gain popularity but has gradually lessened since the 1920s. Still, readers today often come across *Ragged Dick* and stories like it in school.**
