Skinwalker Ranch: Path of the Skinwalker Ryan T Skinner

For the past 7 years, "Skinwalker Hunter" - Ryan Skinner, has investigated bizarre events at Skinwalker Ranch. What Bigelow and his NIDs research team encountered after 2005 has not been shared with the public, until now. This book picks up with Ryan Skinner chronicling his up-to-date experiences at the Ranch as highlighted by his visual narration, alluring photos and videos of shocking events that actually happened. On numerous occasions he was threatened by balls of light which have given chase, mysterious voices speaking in the desert air, glowing objects were seen, shadow people stalked him (and others), portals opened, alien creatures emerged, and all this in vivid detail. The book culminates with Ryan meeting a shape shifting entity known as a "Skinwalker". **PATH OF THE SKINWALKER** opens a gateway into the realities of an alternate universe; one which is beyond comprehension, beyond time and space, a place strictly off-limits to the public, a place called Skinwalker Ranch.
